OSS Compliance -- Organization--

Company	Sony				
Presenter	Satoru Ueda	Date	April	17 th , 2018	
Organization	Dedicated organization / Virtual or community type / by each employee / Alone (comment:				
Number of person in charge	Over 100 / 99-21 / 10-20 / few / one / zero (comment:				
Points of activities	Internal community for OSS license. Legal, IP department, Public Relation and QA are involved in the activity. Almost all business units participate in community. Abroad development sites are covered by community. Some business units have sub-community inside their units.				
Issues	Skill up of each member: Analogy of medical care model(skillful home doctors and university hospital) Supply chain issues.
